See if you can get it for 600-730pm.

Todd, will ODEQ be able to make up the invitations and factsheets as was done previously?

Same time as we have done before. There will be posters and a presentation. They have a screen and projector.

Katrina,  
What time would you like to have the meeting? Is there going to be a presentation? Do we need any special audio visual equipment?  
Thanks  
Bill
